2012

Mad Hatter's Ball

Dani's Foundation will be hosting the 2nd annual Mad Hatter's Ball: A Night of Magic & Mayhem which will take place on Saturday, March 24 at Denver's Mile High Station. Everyone is invited to participate in the festivities and lend support to this Denver-based foundation that is working to put an end to pediatric sarcoma; those rare forms of cancer that are affecting and taking the lives of children and young adults.

The 2012 Mad Hatter's Ball will include:

- The Queens Feast Cocktail Buffet which is being hosted by some of the finest eateries including Chinook Tavern, Famous Dave Legendary Pit Bar-B-Que, Garcia's Mexican Restaurant, Serioz Denver Style Pizzeria, and Strings.
- A secondary buffet, following the evening's event program, will feature desserts and coffee hosted by Cows Gone Coconut, Happy Cakes and Boyer's Coffee.
- A bevy of Booths of Wonder will be open throughout the evening and will be offering palm reading, cards of mystery and other extraordinary opportunities to the Mad Hatter guests.
- A White Rabbit Photo Booth, hosted by Castle Rock Photo Booth, will be open throughout the event as a way for guests to photographically capture their amazing headware.
- The annual Wonderland Silent Auction will once again be stocked full of goods and services from Colorado's finest proprietors and these items will be awarded to the evening's highest bidders.

- The centerpiece of the event will be the Fedora Fashion Show which will feature wonderfully designed hats which have been specifically created for the Mad Hatter's Ball by local and national artisans. These creations will be modeled by pediatric cancer patients who will be escorted by members of the Glendale Raptors Rugby Teams. The artistic hat creations will be for sale following the Fashion Show.
- The evening's stage program will conclude with the awarding of the evening's Best Hat as worn by those guests attending and prizes will be awarded to the best male and female hat attire.
- The minstrels of music from Starkey Productions and Colorado AV will be providing the dance party portion of the evening and DVDJ G Funk will be overseeing the tunes that will allow for some more than serious dance moves.

Tickets to the Mad Hatter's Ball are \$75 per person or \$100/couple. Reservations may be made by contacting Dani's Foundation (303.601.1881 or by emailing to martha@danisfoundation.org).

Any local business who would like to become involved with the event, as a sponsor or auction donor, should contact Martha Simmons at Dani's Foundation (martha@danisfoundation.org).

Proceeds from the Mad Hatter's Ball will support Dani's Foundation and its efforts to put an end to pediatric sarcoma; those rare forms of cancer that are affecting and taking the lives of children and young adults. The Denver-based Foundation provides information and resources to the pediatric sarcoma community; works to educate the public on the symptoms of pediatric sarcoma with the hope of seeking earlier detection and ultimate survival and works to provide funding for research that is working to find better treatment protocols for all pediatric cancer patients and ultimately the cause and the cure for pediatric sarcomas.

The 2012 Mad Hatter's Ball is being sponsored by MiNE LLC in association with financial support from Robinson Waters & O'Dorision, P.C., Forte Advertising, and KeyBank. Denver's 93.3 Radio will be assisting in promoting the event to the Colorado community.
